

This is a *no reserve sale*. The estimates are a guideline only. Send in your bids anytime. Deadline is 12.00 noon on auction day. The highest offer wins. If identical bids are received on the same item, the first one in is the winner with one dollar added to clear the bid. I'll invoice you the day after the sale. Postage and handling is extra. I accept bidding instructions for multiple bids.

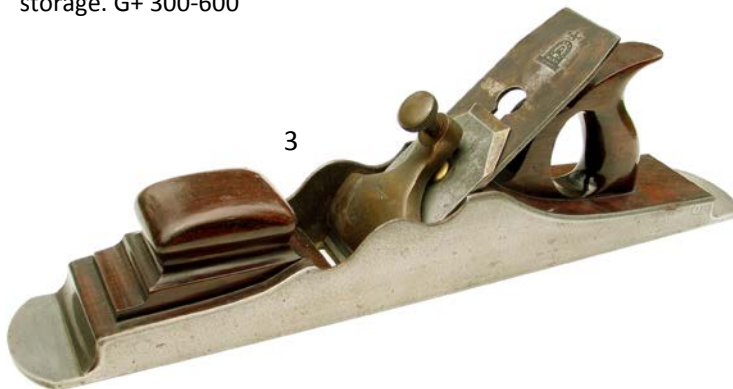

I rate the condition of the lots from P (poor) Fr (fair) G (good) G+ (very good) to F (fine)

**1** Stanley 55 combination plane. SW USA vintage in original fitted wooden box with 55 cutters plus all attachments. All parts in excellent condition with 95% plating intact. Parts are greased for storage. G+ 300-600

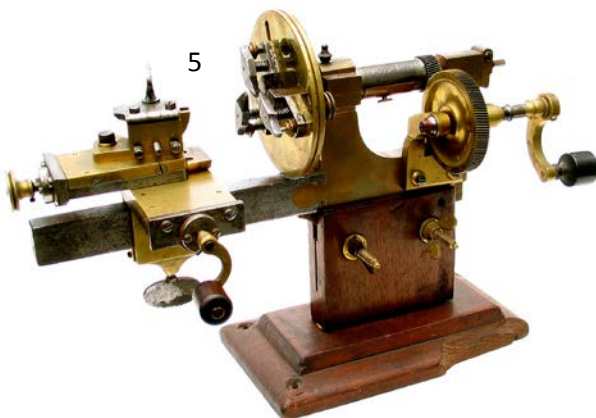

**2** Ebony and brass octant by Matheson & Co, Leith. There is one crack in the mirror. Excellent wood, good patina. 12" x 9" x 5" G+ \$ 250-500

**3** Spiers 20 1/2" dovetailed steel jointer plane with protruding toe and heel. Close to fine with beautiful rosewood in-fill and handle. One small scratch on front bun, minor rust/pitting marks on sole. G+ \$ 600-1,200

**4** Cast iron edge cutting machine or crimper. Cuts a serrated edge – I guess for tin or similar. VG working order. 13" x 11" x 12" G 50-100

**5** Rare Swiss watchmaker's mandrel lathe, brass and steel on mahogany base. Base loose in centre and chipped on one side. Minor rust spots on some of the steel parts. 18" x 11" x 8" G \$ 350-700

**6** Machinist's tool box with seven drawers plus lockable lid. Comes with a good lot of tools. Details see on page 2. 16" x 10" x 10" G \$ 120-250

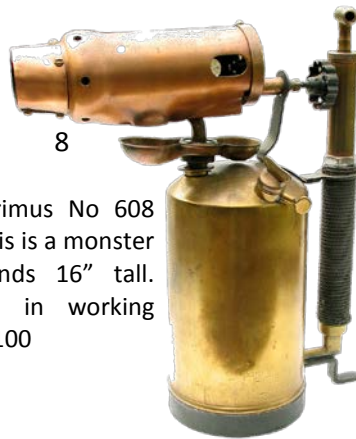

**6** contents of toolbox lot 6 see front. Mostly quality brand tools. Some dirt and some rust.

**7** Lot of 4 four-fold three feet boxwood rules. 3x Rabone. All G+ \$ 20-30

**8** XL size Primus No 608 blow torch. This is a monster of thing, stands 16" tall. Looks to be in working order. G \$ 60-100

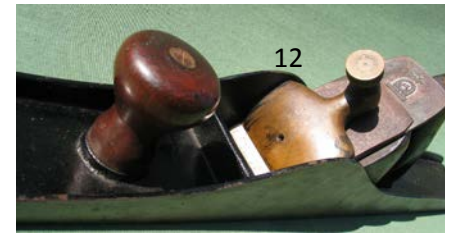

**9** Rabone 1190 four-fold 3 feet boxwood combination rule with level and clino. G+ \$ 25-50

**10** Rabone Chesterman two feet rule/level. G+ \$ 25-50

**11** Rabone 1207 six inch rope gauge with calliper. G+ \$ 20-40

**12** The star of the show: Very rare Australian plane: Jas McLaren, Melbourne cast iron 23 1/2 jointer with wooden frog. I've heard of only one other. Probably manufactured pre WW1 with a similar design used by American manufacturers as well as Spiers. Good overall but repainted, fixed handle and there is a hole in the lever cap. G \$ 500-1,000

**13**

**13** Scarce Stanley 12 1/4 small scraper with most of the original finish intact. Beautifully grained rosewood handle. Cutter not marked. G+ \$ 100-200

**14** Stanley 283 cabinet scraper with rosewood handles in fine condition. Blade has SW marking. F \$ 100-200

**14**

**15**

**15** Stanley 2 smooth plane. SW vintage. No apologies G+ 220-350

**16**

**16** Stanley 607C Bedrock jointer, SW vintage, all parts correct. Well over 95% of the original finish intact. Minor surface rust spots. F \$ 150-300

**17**

**17** Scarce Bedrock 605 1/4 junior jack plane (1925-42 with SW cutter and correct SW lever cap. Number 19 punched into one side. Most of the original japanning is intact G+ \$ 200-400

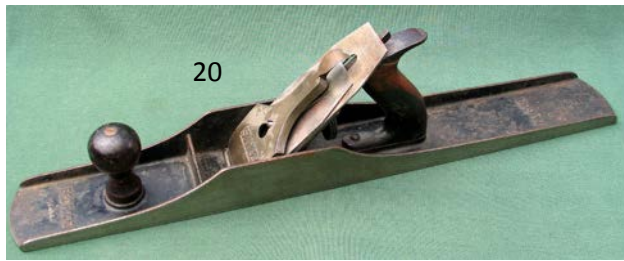

**18**

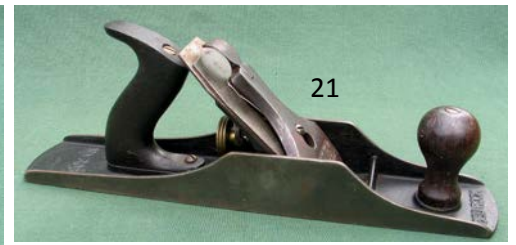

**18** Stanley Bedrock 607C SW model with orange frog. Some loss of japanning to back, minor chip to rosewood handle, minor storage rust. Correct SW vintage. G \$150-250

**19** Bedrock 603 smooth plane with one line Bedrock lever cap and SW cutter. Some rust, very minor pitting marks and loss of japanning G \$ 100-200

**20** Stanley 608 Bedrock jointer, SW vintage. Handle spur glued, approximately 60% japanning intact, good SW cutter. G \$ 150-300

**21** Scarce Stanley Bedrock 605 1/2 jack plane. Repainted, lateral adjuster missing, SW cutter low. Surface rust and minor pitting marks. Will clean to G \$ 100-200

**22** Stanley 606 Bedrock fore plane, SW vintage, all parts correct. Partial decal on handle. Most of the original finish is intact. G+ \$ 120-250

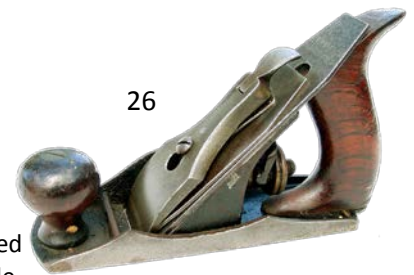

**23** VG Stanley 55, early model in original wooden box. Comes with full set of cutters etc. Complete with all parts. G+ \$ 200-400

**24** Stanley 50 plough plane made in England. Guaranteed complete with all attachments including chip deflector and screw for small cutters as well as a full set of cutters. F \$ 80-130

**25** Complete Stanley 45 combination plane in original box with a set of 21 cutters and attachments. Depth stop replaced and needs a bit of adjusting otherwise in very good condition. Early model with pat 1895 on skate. G+ \$ 80-150

**26** Stanley 1 Pat 92 vintage. Bed has big chunk missing from side, everything else including wood is G+ \$ 300-500

**27** Stanley Gage 4 smoothing plane. No cutter, otherwise G+ \$ 60-100

**28** Stanley Gage 7C jointer plane with most of the original finish intact. Pat 20 in bed. Good rosewood. G+ 70-150

**29** Stanley 5 jack plane with Pat 1910 in bed. All original SW parts. G+ \$ 60-100

**30** Stanley 7C jointer plane with two Pat 02 in bed. Pat 92 cutter, low knob, 90% japanning intact. G+ \$ 100-200

**31** Stanley 8C jointer plane with two 02 patents in bed. Pat 92 cutter low. Around 60% japanning is intact. Good rosewood. G \$ 120-250

**32** Stanley 68 rabbit shave with new notched logo cutter. 70% japanning intact. Some dirt, some surface rust. G \$ 30-60

**33** Stanley 71 router made in England. complete with 3 cutters & fence. Surface rust. G \$ 40-80

**34** Stanley 71 router made in England. Boxed. Complete with 3 cutters and fence. G+ \$ 50-100

**35** Stanley 71 router made in England. Boxed. Complete with 3 cutters and fence. G+ \$ 50-100

**36** Stanley 78 duplex plane made in England. Complete with d/s and fence in box. G+ \$40-80

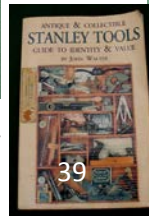

**37** Stanley 78 rebate plane made in England. Complete. G+ \$ 40-80

**38** Stanley 78 rebate plane made in England. Complete. G+ \$ 40-80

**39** Stanley Guide by Walter. Softcover in good condition. \$ 60-120

**40** Good and clean McConnell patent plane with some rust. Good maker's mark, wood without chips or cracks. G \$ 80-150

**41** Scarce Stanley 10 1/2C rebate plane with corrugated sole. Full V logo cutter, good rosewood handle and knob G+ \$ 170-350

**42** Stanley 10 1/2 rebate plane made in England. Little used in box. Owner's mark in handle. G+ \$ 70-120

**43** Stanley 10 made in USA with good rosewood handle and low knob. T logo cutter has been repaired. Dark spots are dried grease. Should clean to G \$ 50-100

**46** Stanley 5 USA with notched logo. VG rosewood, most japanning intact. Minor dirt/rust. G+ \$ 40-80

**47** Stanley 5 Can SW vintage with VG rosewood. Most japanning is intact. G+ \$40-80

**48** Stanley 5C England. Hardwood handle and knob good. Half japanning, minor hairline crack on the corner of the mouth G- \$ 30-60

**49-52** Stanley 110 block plane made in England or Australia in box. All the planes are in good to very good condition. The condition of the boxes might vary a bit. G/G+ \$ 10-20 each

**44** Stanley 10 1/2 rebate plane made in England. Paint splatter & dirt & surface rust but overall still G+ \$ 40-80

**45** Stanley 239 special dado plane with fence and one cutter. Most japanning intact. G \$ 50-100

49

50

51

52

**53** Unmarked sash filletster. No nicker, no stem – or nicker wedges. G- \$ 30-60

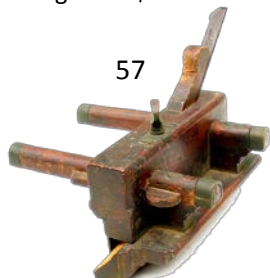

**54** Sash filletster Greenslade. No nicker & wedge, replaced stem wedges. G- \$ 30-60

**55** Mathieson 5B plough plane. Some damage to wedge. G \$ 20-40

**56** Plough plane by Atkin & Sons. One stem wedge damaged. G- \$ 20-40

**57** Unmarked early plough plane. Some damage to fence and a few chips. Replaced wedge. G- \$20-40

**58** Plough plane by Mosely. Replaced wedge, no stem wedges. G- \$ 20-40

**59** Lot of 6 small to mid size wooden planes including one solid boxwood smoother pictured on the right. G \$ 30-50

**60** Rare John Moseley London made for G.T. Savage, Sydney handled beech smoother with Berg Shark brand cutter. G+ 30-50

**61** Buck dovetailed steel 13 1/2" panel plane with rosewood infill and closed handle. Comes with a 2 3/8" parallel iron by Hearnshaw. It's generally assumed that most of the Buck planes were made by Norris. Minor storage rust, small fix to handle spur G \$ 200-400

**62** Curious looking smooth plane with steel sides and brass lever cap. 8 1/2" long. Fr \$ 20-50

**63** Cast iron Scottish style 11 1/2" infill panel plane with 2 3/8" Mathieson cutter G \$ 80-150

**64** Custom made solid brass jack plane with extra thick casting. 5 1/2 size. G \$ 30-60

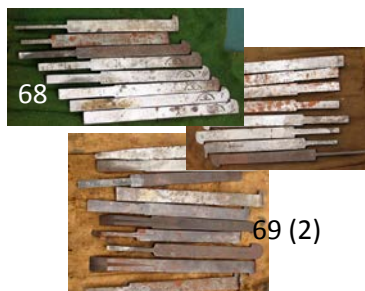

**65** Early transitional smooth plane with cast iron base, beech infill and wedge and closed handle. 9" long G \$ 30-60

**66** Custom made cast iron infill smoother with 2 1/4" Mathieson cutter. 9" long. G \$ 30-60

**67** 3 1/2" cast iron bullnose plane with a good 1" Preston cutter plus an 8" shoulder plane with a good sneaked cutter by Marples. Both G \$ 50-100

**68** Complete set of Mathieson 1-8 cutters. G \$ 30-60

**69** Two lots of assorted cutters including Mathieson etc. Total 18 cutters. G \$ 20-40

**70** 1 3/8" dovetailed infill shoulder plane. No name. Some pitting, fix to cutter G \$50-100

**71** Mathieson dovetailed steel rebate plane with rosewood infill and wedge. Some shrinkage to infill, lost strike button on heel and crack in the back infill near the shoulder. 9" long with a 7/8" cutter G+ \$ 70-120

**72-75** Stanley 4 smoothing plane made in England in box. All the planes are in G+ condition. \$ 20-40 each

**76** Stanley 50 made in England small plough plane with set of cutters plus chip deflector. G 30-60

**77-78** Stanley 3 smooth plane in box. Both G+ \$ 30-60 each

**79** Stanley 8 low knob. Good wood, most of the japanning is intact. Cutter low. G+ \$ 100-150

**80** Record 405 combo plane with most attachments & cutters G- \$ 50-100

**81** Stanley 7 made in England. Very nice wood, good cutter. Approximately 60% of the japanning is intact. G \$ 50-100

**82** Excellent and scarce Record SS 07 jointer plane with 90%+ of the original finish intact. G+ \$ 100-200

**83** Fine Carter 7 jointer plane with close to 100% of the original finish intact. Good decal on handle. Comes in original but very tatty partial box with partial label. F \$ 100-200

**84** Record SS 05 1/2 jack plane. Some loss of plating on lever cap, some minor rust. G \$ 30-60

**85-88** Stanley 3 smooth plane, two made in England two in Australia. All in G/G+ condition. \$ 20-40 each

**89** Stanley 5 1/2 C USA Pat 1910. Handle broken. Some rust. G- \$ \$ 30-50

**90-91** Stanley 5 1/2 made in England. Most of the original finish intact. G \$ 30-60

**92-94** Stanley 6 made in England. Most of the original finish intact. G/G+ \$ 30-60

**95** Carter 06 jack plane with most of the original finish intact. Small rust/pitting spots side and sole. G+ \$ 30-60

**96** The Handplane book. 163 pages, hardcover. Very good condition. G+ \$ 25-50

**97** Record 06 jack plane. Owner's mark on handle, otherwise G+ \$ 30-60

**98** Record 04 1/2 smooth plane in box. G+ \$ 20-40

**99** Stanley 5 jack plane made in England. Little used in original box. G+ \$ 40-80

**100** Stanley 5 1/2 C USA Pat 1910 with good rosewood. Some rust and minor pitting spots. Most japanning gone. G- \$ 50-100

**101** Stanley 105 Liberty Bell jack plane. Crack in handle. Rust and mild pitting marks. Correct blade assembly. G- \$ 40-80

**102** AC/DC Volt metre. I don't know if it works, looks good as display. 8"x10"x3" G \$ 20-40

**103**

**103** Nice little travelling anvil marked Joshua Wilkinson, Under Hill, Dudley 029, I believe that means 67 pounds or around 30 kg. Very good condition. Pickup preferred, I can't ship this one in the mail. G+ \$ 100 – 200

**104**

**104** Millers Falls drill press vice, little used in box. G+ \$ 20-40

**105**

**105** General honing guide, similar to Stanley 200. Little used in Box. G \$ 30-50

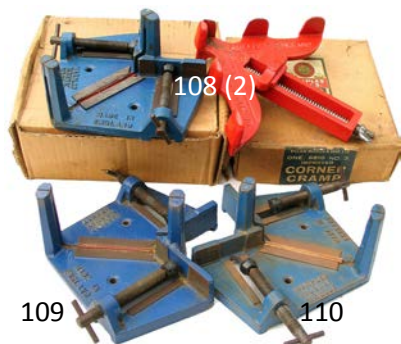

**106**

**106** XXL Dutch 25 ½ " jointer by Nooitgedagt. Looks unused. G+ \$ 40-80

**107**

**107** I believe this is the biggest of them all: Salter Trade Spring Balance T85 1120 x 4 lb with a massive 33" face. Big and heavy. G- \$ 30-70

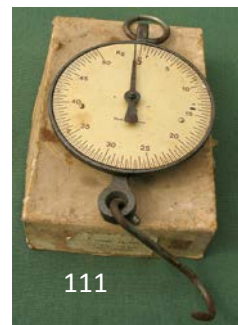

**108 (2)**

**108** Marples Ridgeway MR 6807 mitre cutting clamp plus a Marples corner clamp, both G+ \$ 30-60

**109** Marples Ridgeway mitre cutting clamp G+ \$ 20-40

**110** Marples Ridgeway mitre cutting clamp G \$ 20-40

**111** 50 kg spring balance made in Germany. Cast iron with tin face. Looks unused. Face is 6" in diameter. G+ \$ 20-40

**111**

**112**

**112** 8oz Germanic turnip shaped brass plumb bob with steel tip. 3" long. G \$20-40

**113**

**113** Unusual brass double plumb bob. Top part unscrews to make it a 1.25kg or a 2.25 kg. Shown slightly open, the two parts screw together tightly. 10" long. G \$ 30-70

**114**

**114** Carter Tools Australia (CT mark) on this 16 oz/ 500gr 4 ¼" plumb bob. G \$20-30

**115**

**115** Small Carter 4 oz plumb bob. 3" long. G \$ 20-30

**116**

**116** Small Preston 4 oz 2 ¼ " brass plumb bob. Scarce size. Signs of wire brushing, should buff out ok. G- \$ 20-40

**117**

**117** Carter Australia 16 oz 4 ¼ " brass plumb bob in custom made box. G+ \$ 20-40

**118**

**118** Good lot of four small brass grease guns from 2 ½ " to 6". G \$ 30-60

**119**

**119** Building a bridge? Then you can't go this monster 4.5 kg steel plumb bob. G \$ 20-40

**120**

**120** Rare Lucas No 38 brass motor oiler. Top nozzle is added from a Rega oiler. Still G+ \$ 40-80

**122**

**122** Lot of five vintage brass grease guns, pumps, blowers etc from 19" to 7" G \$ 40-80

**123** A similar lot from 13" to 9" G \$ \$ 40-80

**121**

**121** Nice small 4 ½ " brass funnel with strainer. G \$ 15-30

**123**

**124** Lot of five vintage brass grease guns, pumps, blowers etc from 14" to 7" G \$ 40-80

**125** Cast iron glue pot marked 19. 5" long, inner pot diameter 4". G+ \$20-40
